

City of Roseburg

April 16, 2018

To Whom It May Concern:

I am writing to express the City of Roseburg's support for Source One Serenity's efforts to reduce food waste in our region. The City of Roseburg has been working to raise community awareness of the negative impacts of food scraps in our landfills through a recycling campaign effort with the Department of Environmental Quality (DEQ) and Douglas County. I believe Source One Serenity's vermicompost program aligns itself with the City of Roseburg and DEQ's food waste reduction campaign.

We wish you the best in your endeavors. If you have any questions or need additional input, please contact me at (541) 492-6750.

Sincerely,

Stuart Cowie
Community Development Director
